### Connecticut Vaccine Program

November 26, 2012

Dear Health Care Provider:

The December 1<sup>st</sup> deadline for submitting your provider profile and agreement forms to the Connecticut Vaccine Program (CVP) is rapidly approaching. Please submit your completed enrollment forms as soon as possible to ensure your practice or clinic continues receiving state supplied vaccine without interruption or delay.

The timely submission of your enrollment forms will allow sufficient time to verify and update your provider shipping information and estimate your vaccine supply needs for calendar year 2013.

Enrolling in the CVP requires only a few steps. Visit our website at [www.ct.gov/dph/cvp](http://www.ct.gov/dph/cvp) to obtain all the information you need to participate, including enrollment forms, an extensive FAQ and other important information. Please remember to include your Provider Identification Number (PIN) on both the agreement and profile forms, and fax the completed forms to (860) 509-8371.

If you have questions or need assistance, please contact the CVP staff at (860) 509-7929. Thank you for your continued commitment to vaccinating Connecticut's children. We look forward to working with you in 2013 and offer best wishes for a happy holiday season.

Yours truly,
